# Activate Bluetooth for DS2278 Without Cradle
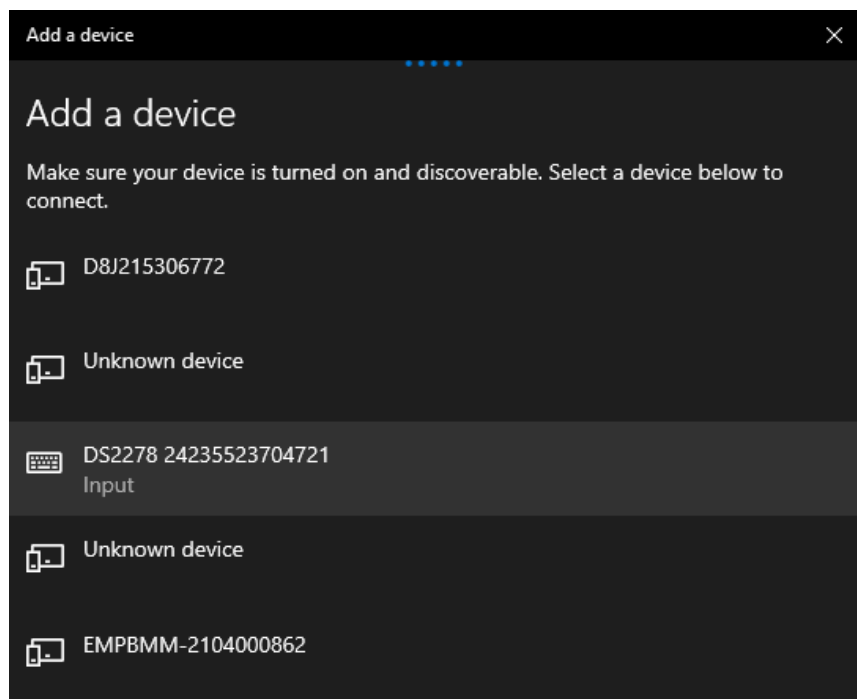

Zebra DS2278 Cordless 1D/2D Handheld Scanner

Step 1: Scan the **HID Bluetooth Classic** barcode. This will make your device discoverable via Bluetooth.

HID Bluetooth Classic

Step 2: On your computer go to your Bluetooth and other Device settings. Select "Add Bluetooth or other device" and then select DS2278.

Step 3: Your device is now connected and ready to use.
