RuggedJet™ 3 Series

3 Inch Receipt & Label Mobile Printer

Intuitive. Connected. Reliable.

The RuggedJet™ 3 Series of mobile label and receipt printers are helping to simplify mobility with fast mobile printing of labels and receipts from 1″ to 3″ wide. First model in its class to feature color LCD display with intuitive, interactive menus and easy-to-follow graphical instructions and icons. Advanced features such as dual Wi-Fi® and Bluetooth® technology interfaces, Apple MFi™ and Apple AirPrint® compatibility make it easy to wirelessly print from popular devices running iOS®, Android™ or Windows® mobile operating systems.

The compact, ergonomic and lightweight design of the RJ series allows the printer to fit in places where space is limited, and accessories are available for in-vehicle mounting or carrying in the field.

USB, Bluetooth, WiFi and AirPrint to handle applications on site or outdoors.

Easy use and navigate through an intuitive colour screen (RJ-3150 only)

Choice of power options including rechargeable batteries, AC adapters or vehicle power kits.

Add the optional power charging car kits

Versatile – print both labels AND receipts up to 118mm wide on one printer!

Over the shoulder straps and belt clips available for ease of movement while printing in the field.

Highly reliable direct thermal technology uses fewer moving parts resulting in lower maintenance and running costs.
